TO WHOM IT MAY CONCERN

I have knowledge that the Council of the City of Wagga Wagga is applying for funding through the Transport for NSW's cycling towns programme.

Congratulations to both the Council and Transport for NSW and Roads and Maritime Services being partnered on this particular project which, I am sure, will be of great benefit to our community through the provision of high quality cycling routes.

The provision of safe options for community members who cycle as a form of transport is a good direction to follow with the many associated health benefits being derived from exercise and outdoor activities.

I fully support the Council's application for funding the introduction of the Active Transport Plan and wish them every success.
