

Figures

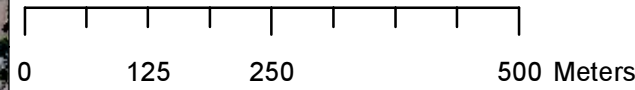

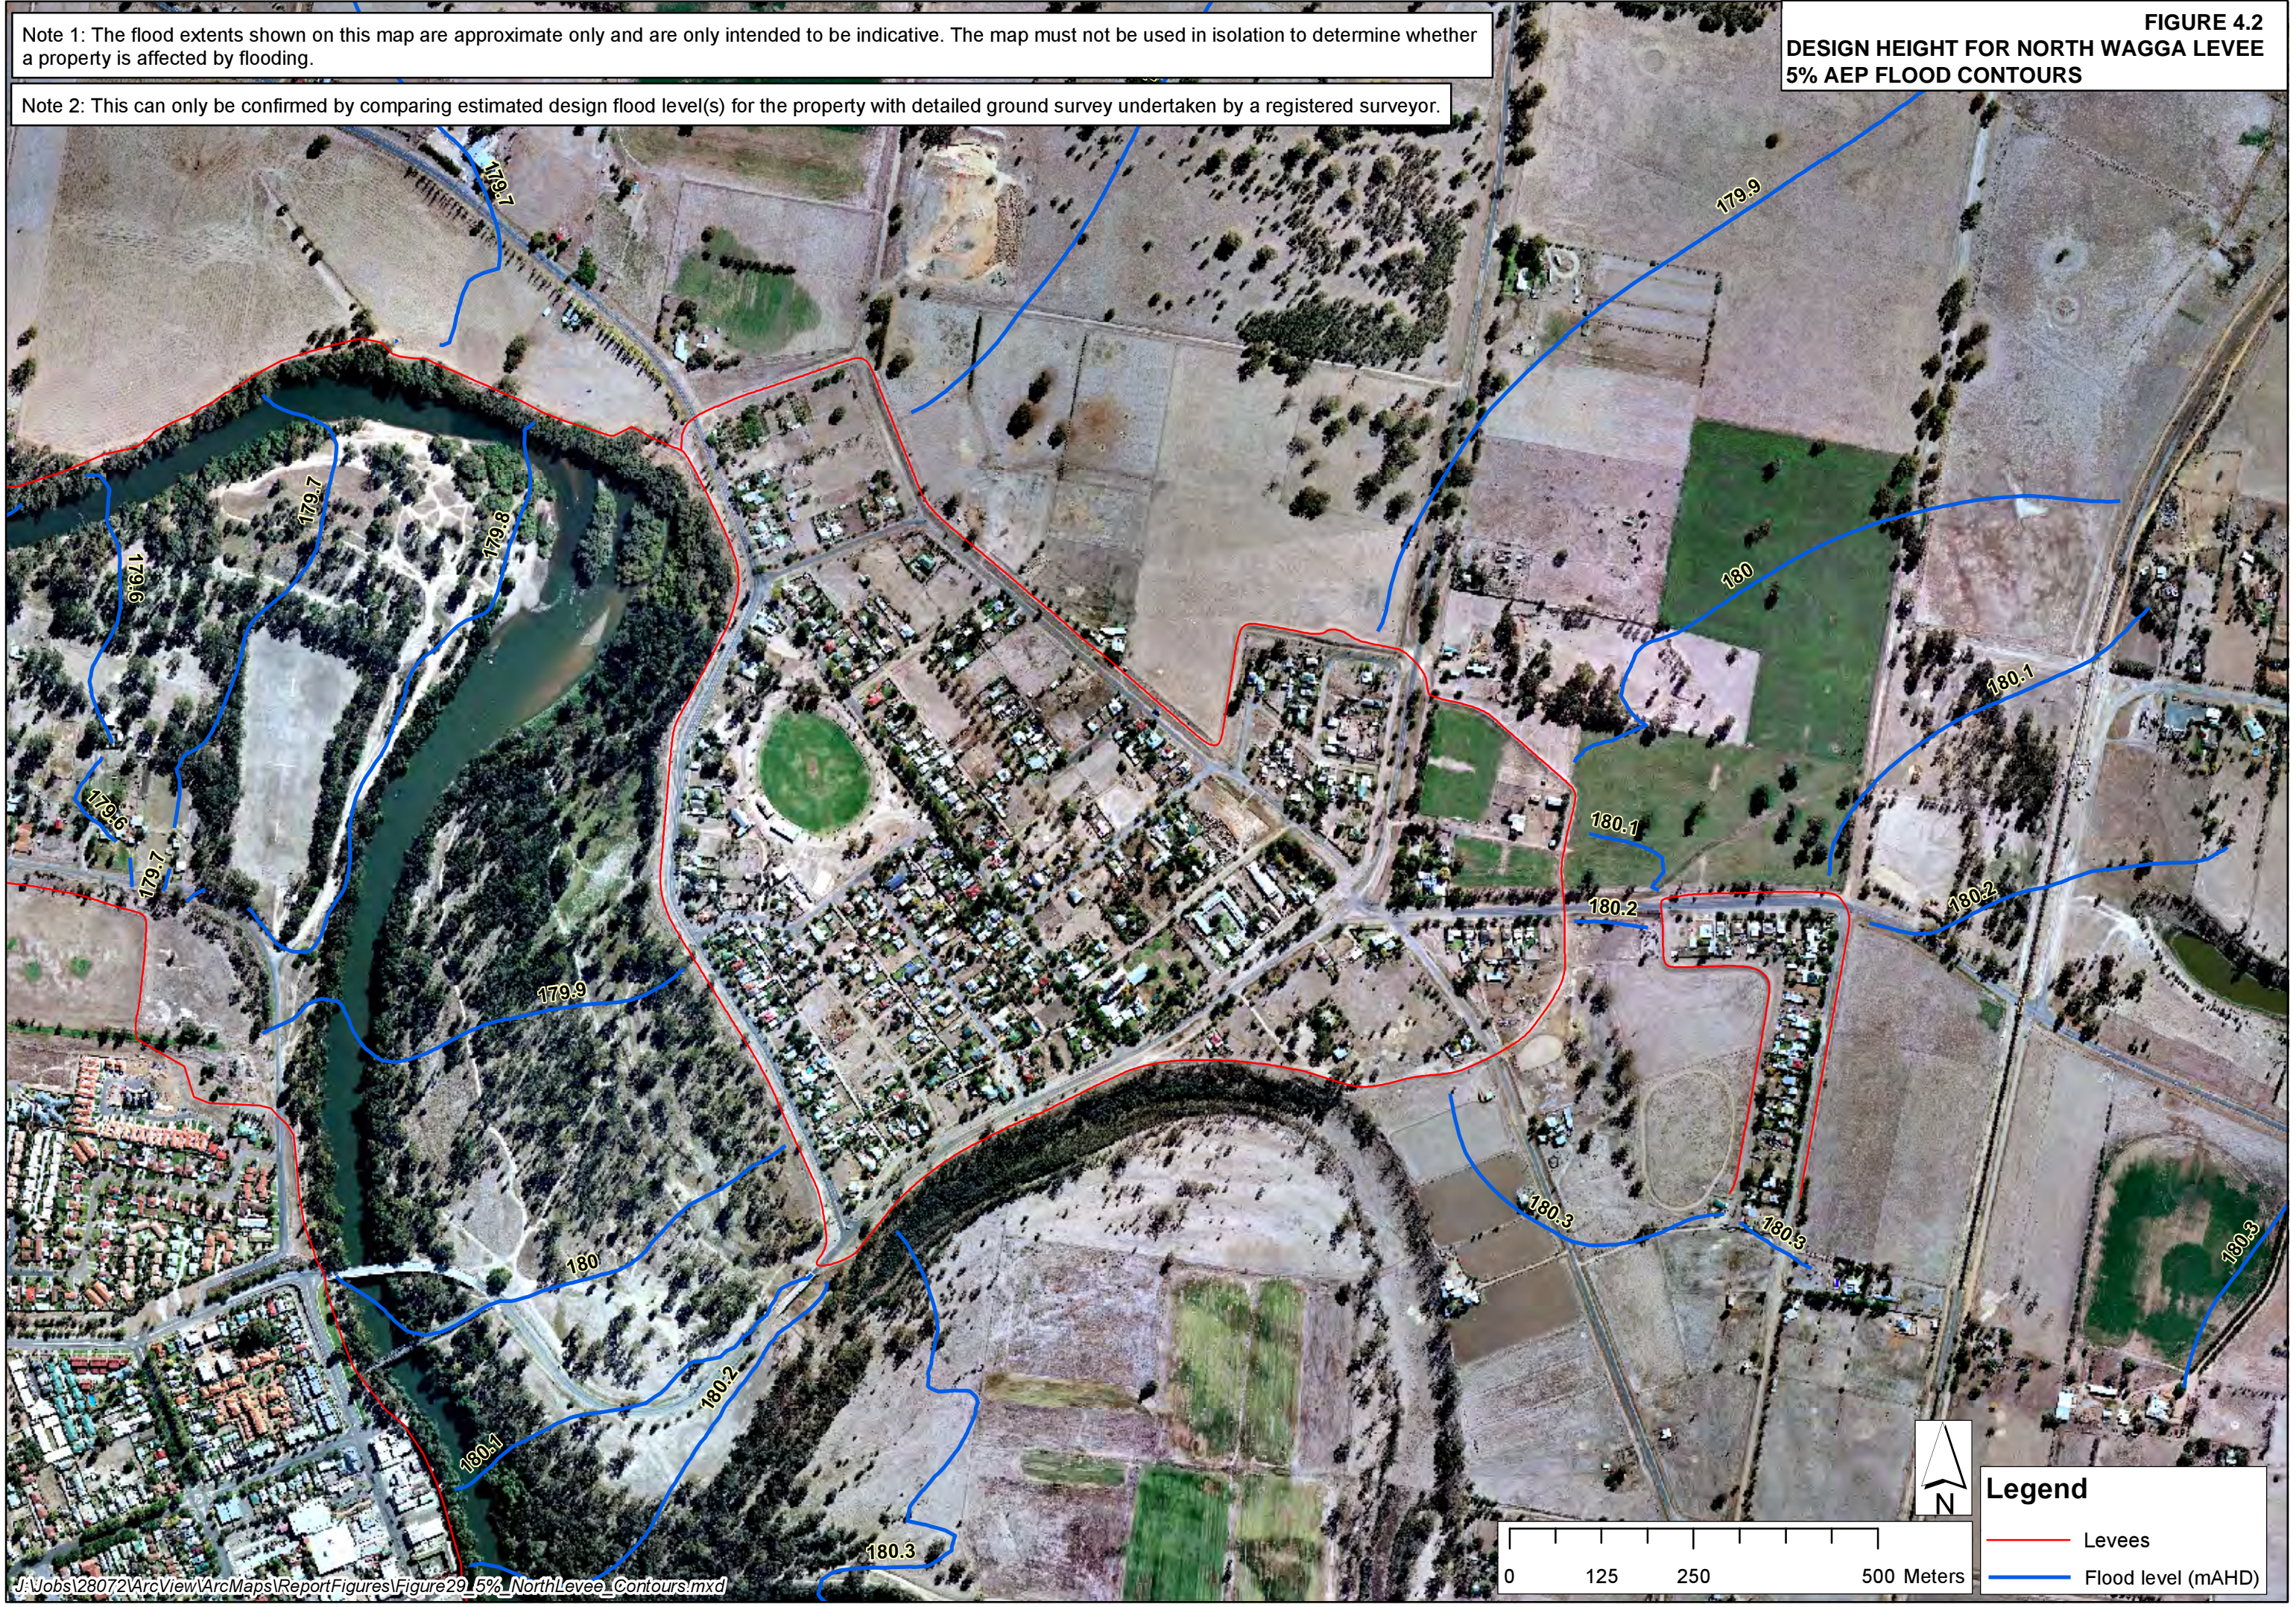

**FIGURE 4.1
PROPOSED LEVELLE UPGRADE
1% AEP FLOOD EXTENT MAP**

Note 1: The flood extents shown on this map are approximate only and are only intended to be indicative. The map must not be used in isolation to determine whether a property is affected by flooding.

Note 2: This can only be confirmed by comparing estimated design flood level(s) for the property with detailed ground survey undertaken by a registered surveyor.
