Riverina flood photos - December 2010  
By [Anne Delaney](#)

Predictions are that the Murrumbidgee River will peak even higher than the recent October flood levels. Here are some pictures from around the region.

Floodwaters are bad for business. Wagga Wagga Marketplace, December 3rd, 2010. (bidgeewagga) (supplied)

## Water still partly covers Forsyth Street

Water still partly covers Forsyth Street.

The screenshot shows a Flickr page for a photo titled "Water still partly covers Forsyth Street". The photo depicts a street with a large area of standing water on the left side, partially covering the road. In the background, there is a building with a sign that says "WAGGA WAGGA RUGBY FOOTBALL CLUB". The Flickr interface includes navigation links like "Home", "The Tour", "Sign Up", "Explore", and "Upload". It also shows the user's name "Bidgee Robert", the photo's date and location, and a map of Australia with a red dot indicating the location. Below the photo, there are sections for "This photo belongs to" (Bidgee's photostream) and "This photo also appears in" (Wagga flooding and storm..., Picture Australia: People,...).
