**GIPA Class 1**

Description of any provision under which the amount payable to the contractor may be varied:

During Year 1 and Year 2 of the Contract, the payment to be made by the Council to the Contractor shall be in accordance with the contractor's tendered prices accepted by the Council. Should the Contract extension be applied, the tendered prices will be increased by 2.8% for that period of extension. Any subsequent extension period will provide for a 2.8% increase. This is a schedule of rates contract whereby Council can add and subtract from the number of buildings/amenities to be cleaned as requirements dictate. This includes temporarily reducing the number during renovation.
