

North-West Sector Residential Area. Key issue is improved access to services (including schools). Component of 0-15 year residential development program aimed at developing critical mass.

Northern Sector: Possible longer term option for residential growth needs to be buffered against Bomen employment precinct.

ESTELLA WEST would be the latter phase of NW sector development (10-15 yrs)

Cartwrights Hill land use conflicts with Bomen employment precinct.

Key site: Fitzmaurice Street Precinct Promote mixed use development, and continuing higher density housing

CBD Retain & Strengthen the Primacy of the City Centre. Shop top and multi-level housing.

Multi-Unit Housing Encourage affordable, higher density and seniors housing near services in both established and new areas

South-West Sector Residential Area  
Lloyd : Key component of 0-15 year residential development program. Two precincts available for early release estate. Demand modelling indicates possibility for local shopping centre with supermarket

Lake Albert East Investigate Potential for longer term Residential growth

Forest Hill - a key residential growth area

Rural Residential Extensive and varied large lot residential land at city's southern perimeter. No further release required in the medium term.

Southern Sector: Possible long term option for urban development. a possible flood-free southern highway bypass also could involve this land.
