Background

A Corporate Purchase Card can deliver significant benefits however can also expose a local government to significant risks if not adequately controlled. This Policy aims to incorporate the necessary controls to support the mitigation of risks associated with the use of a Corporate Purchase Card, whilst recognising that Corporate Purchase Cards are an alternative purchasing and payment system that improves payment performance and can provide more effective cash management.

Specific Provisions

Eligibility

Any Council employee that may require a Corporate Purchase Card shall establish a business case for the issue of a new Corporate Purchase Card. Items to be addressed in support of the application would normally outline the reasons to warrant having a Corporate Purchase Card.

The Chief Financial Officer must approve all applications, and in the case of the Chief Financial Officer's Corporate Purchase Card application, the General Manager shall approve the application.

Once approved, the financial institution may require the proposed cardholder to complete a 100 points of identification check. The application form is to be signed by the cardholder and their Manager, verified by the Chief Financial Officer or their delegate.

Employees who are authorised to hold a Corporate Purchase Card will be issued only one (1) Corporate Purchase Card at a time.

Each Executive Assistant will have a maximum limit of \$10,000 per month, with a transaction limit set dependant on the cardholder's purchasing delegation limit.

The Corporate Purchase Card issued to all other Council employees and the Mayor will be limited to a maximum of \$5,000 per month each, with a transaction limit set dependant on the cardholder's purchasing delegation limit.

Transaction limits are not to be exceeded. If additional credit is validly required during the month, a request is to be made from the cardholder to their Manager, who would review the request and if it were supported, the request would be sent to the Chief Financial Officer so appropriate steps can be taken to ensure sufficient funds are available.

The cardholder shall not disclose their PIN to another party and shall not allow use of their Corporate Purchase Card by another party, including another Council official.

In the event that a cardholder moves to a position that does not require the use of a Corporate Purchase Card or ceases employment, the cardholder must notify the Corporate Card Systems Administrator to arrange cancellation or temporary hold of the Corporate Purchase Card. In the instance of ceasing employment, a minimum of two (2) weeks' notice where possible, is required to ensure all receipts are received and the Corporate Purchase Card account reconciled. The cardholder must then return the Purchase Card to the Corporate Card Systems Administrator for cancellation and destruction. This will be confirmed during the Exit Interview Process with the relevant Supervisor or Manager.

Corporate Purchase Cards cannot be transferred to another user and must always be kept in a safe location.

Corporate Purchase Cards are only to be used to purchase goods and services on behalf of Council for which there is a budget provision.

A tax invoice is required for all Corporate Purchase Card purchases. All tax invoices must include an ABN, total amount, whether GST applies and a brief description of goods and services purchased. Confirmation document and EFTPOS receipts are not acceptable.

The purchase of fuel on a Corporate Purchase Card should only be undertaken in emergency situations as provision is made for access to fuel for Council vehicles.

Where purchases are made over the telephone or the internet, an invoice should be requested to support the purchase. If no such invoice or receipt is available, as much detail about the transaction should be recorded and used to support the payment when required (date, company, address, ABN, amount, and any GST included).

Where a payment is made for meals or entertainment, employees and/or the Mayor must note on the reconciliation report the number of persons the expense relates to and the names of any Council employees in that number. This is required to ensure the Council pays the correct amount of Fringe Benefits Tax.

Reconciliation Procedures

The cardholder of the Corporate Purchase Card is responsible for completing the reconciliation statement and this must be authorised by an Authorised Officer and their Divisional Manager.

Cardholders have 10 working days from receipt of the reconciliation statement to complete this and have the Authorised Officer and their Divisional Manager authorise the transactions listed on the statement.

Transactions shall be accompanied by an account number for job costing purposes.

If no supporting documentation is available the cardholder must provide a statutory declaration detailing the nature of the expense and must state on that declaration “all expenditure is of a business nature”. Should lack of detail be a regular occurrence for a particular cardholder, the cardholder may have their Corporate Purchase Card withdrawn at the discretion of the Chief Financial Officer. Use of a statutory declaration is for exceptional circumstances rather than the norm.

If a credit is required for a transaction made using the Corporate Purchase Card, the cardholder must request the credit as soon as they become aware of the need for a credit, for example, where a good or service is not delivered or not provided in accordance with original expectations.

Should approval of expenses be denied, recovery of the expense shall be met by the cardholder.

The cardholder shall sign and date the Corporate Purchase Card statement with supporting documentation stating “all expenditure is of a business nature”.

Business Continuity

Council's Business Continuity Plan (BCP) allows provision for interim increases to Corporate Purchase Card limits (where required) where the BCP has been activated in an emergency event. This provision overrides any other Corporate Purchase Card limit outlined in this Policy.

Section 55 of the *Local Government Act 1993* (the Act) prescribes the statutory requirements for local government tendering.
