## NOTE 1

### APPLICANT AUTHORISATION LETTER

If you are not the property owner or a person having the benefit of the development consent, you must provide evidence that you have been authorised by the owner to lodge the application.

Evidence of authorisation must be uploaded to the Planning Portal as part of your application.

## NOTE 2

### CONTRACT FOR CERTIFICATION WORK

Your Construction Certificate or Complying Development Certificate application must be accompanied by a completed contract appointing Council as your Principal Certifying Authority (PCA). The following is a link to the required application for contract:

[Application for Contract for Certification Work](#)

In order to prepare this contract, please download and complete the relevant sections where prompted. You will then be required to deliver this document to Council so that a Council Accredited Certifier can complete the contract. The completed contract will be returned to you so that the document can be uploaded to the Planning Portal as part of your application.

Please ensure that the contract has been fully completed by both parties (applicant and Council) prior to finalising and uploading your CC or CDC application to the Planning Portal

## NOTE 3

### STATEMENT OF COMPLIANCE (Conditions of Development Consent)

It is important to carefully read your development consent documentation and ensure that ALL required conditions have been met prior to you lodging your construction certificate application with Council. These conditions include any that are identified as being required 'prior to the release of the Construction Certificate'. The conditions will specify the information that is required to be lodged. A Statement of Compliance is a written document listing these conditions and including a statement of how each condition has been complied with. This statement must be submitted with all Construction Certificate applications.

## NOTE 4

### COMPLYING DEVELOPMENT STATEMENT

You are required to ensure that your proposal is Complying Development in accordance with the provisions of either the **Greenfield Housing Code** or the **Inland Code** (whichever is applicable) under State Environmental Planning Policy (Exempt and Complying Development Codes) 2008.

A Complying Development Statement must identify all relevant provisions of the Code including a statement that the proposal complies with each of these provisions. Once complete, the statement must be uploaded to the Planning Portal as part of your application.

**Note** – A Complying Development Statement will also be required for any development proposed under any alternate code or policy.

## NOTE 5

### STATISTICAL RETURN FOR AUSTRALIAN BEURAU OF STATISTICS (ABS)

You are required to provided information in relation to your proposed construction works. This information will be collated and forward by Council to the ABS. Please complete the following form:

[Statistical Return for ABS](#)

Once complete, this form must be uploaded to the Planning Portal as part of your application.
