Council requires applicants to lodge a security deposit or bond usually in association with building or subdivision works approvals. Examples include footpaths, kerb and guttering, road works, drainage or environmental works. Council's authority to apply a condition that requires an applicant to provide security is included under Section 97 of the Local Government Act 1993, Section 80A (6) of the Environmental Planning & Assessment Act 1979, and Section 138 of the Roads Act 1993.

Under Section 97 (5) of the Local Government Act 1993, a security deposit (or part) if repaid, is to include any interest accrued on the deposit (or part) as a consequence of its investment.

This Policy details how Council will treat its obligation under Section 97 (5) of the Local Government Act 1993.

Purpose

The purpose of this Policy is to facilitate the processing of applications received for interest payments on security deposits held by Council pursuant to a development or approval condition.

Scope

This Policy applies to all security payments paid to Council. It does not apply to other (non-cash) forms of security held by Council including bank guarantees.

Policy Provisions

General Provisions

The calculation and payment of interest on a security deposit held by Council pursuant to Section 97 of the Local Government Act 1993 will be undertaken by the Finance Division upon the receipt of notification and approval from the appropriate Directorate to refund the security deposit.

Security deposits, when received, are paid into Council's main bank account within its consolidated fund and are recorded in the General Ledger as a liability. The deposits are reported in Council's audited Annual Financial Statements in the balance sheet as a current liability.

On application, calculation of the applicable interest for refund will be undertaken. Where the application fee is greater than the interest calculation, no interest payment will be made.

- **Interest Rate:** The interest rate applicable on Council's main trading account – the median interest rate between the date the deposit was received and at the time of refund.

Example:

A \$20,000 security deposit was paid to Council on 1 May 2016. The security deposit was eligible for refund on 1 May 2020.

Council's main trading account interest rate as at 1 May 2016 was 1.75% and was 0.25% on 1 May 2020. Therefore, the median interest is 1.0%.

The deposit was held for a 4-year period, therefore the applicable interest available to the depositor is:

$$\$20,000 \times 1.0\% = \$200 \text{ per annum, multiplied by 4 years} = \$800.00$$

Less the applicable application fee* of (\$525.00) = \$275.00 available to the depositor.

**Application fees are in accordance with Council's annual adopted Fees & Charges document*
